

U.S. EMPLOYEES SEEK MEMBERS

Plans Made for Campaign
To Gain 100,000
Recruits.

IS TO BE NATION-WIDE
Council Approves General
Plan of Reclassifica-
tion Bill.

Plans for launching a nation-wide campaign for 100,000 new members for the National Federation of Federal Employees in its fight for reclassification were adopted by the executive council of the federation yesterday.

The council approved the general plan of the reclassification bill yesterday. Today the council will take up the various features of the program. A discussion of the machinery best adapted to carry out the reclassification plan will be heard this morning.

The membership campaign will be under the supervision of the nine vice presidents of the federation, who are members of the executive council. The vice presidents represent every section of the United States.

The executive council also adopted resolutions yesterday recommending that its local unions affiliate with the State Federation of Labor and the City Central Labor Unions.

BOOSTED FARES CAUSE PROTEST

W. B. and A. Commuters
Club Asks Wilson for
New Hearing.

In an appeal against the Washington, Baltimore and Annapolis Railway Company, the W. B. and A. Commuters' Club yesterday filed with President Wilson a protest against the decision of the Interstate Commerce Commission granting increases of fare to the traction company.

The appeal requests the President to urge upon the Interstate Commerce Commission the re-opening and re-hearing of the case. The latter is now closed.

"In behalf of the enlisted men at Camp Meade, thousands of low-paid government employees, and folks of moderate means, patrons of the W. B. and A. R. R., we appeal for justice in a decision handed down in favor of the prosperous money making W. B. and A. R. R., which received a raise in fare July 11 ranging from 5 per cent to 100 per cent, while its bankrupt competitor the Annapolis Short Line, received only 20 per cent raise of fare. Such decisions cause unrest and serious thinking in our democratic nation."

"The W. B. and A. R. R., with a capital stock of \$4,750,250 (large portion of water), paid 7 1/2 per cent dividend on common stock last year and 10 per cent on preferred stock. Liberty bonds equal to 10 per cent."

CALLS DIVORCE RULING BEYOND COURT POWER

Section 265 of the Judicial Code was invoked yesterday by Randall Mackey, counsel for Dr. Robert L. Bradford, in a dramatic surprise attack on Justice Bailey of the District Supreme Court to vacate an injunction preventing Dr. Bradford from prosecuting a suit for divorce against Mrs. Bradford in the Circuit Court of Arlington County, Virginia.

In a supplemental petition filed in the Court of Appeals yesterday, Mackey calls the attention of the court to the fact that Section 265 was created expressly for the purpose of preventing conflict between United States courts and State courts. In granting Mrs. Bradford an injunction, Mackey claims Justice Bailey exceeded his authority since the section referred to precisely prohibits the issuance of such an injunction.

Foxes Dine on Choice Fowl.

Chattanooga, Va., July 13.—Foxes are spreading havoc among the fowls in many sections of the county. One farmer, finding a den Saturday near his home, placed three chow dogs in the den, and made the den a tomb. A farmer near Earlyville captured a gray fox in his hen house last week and nearby found six young foxes.

Tobacco Buyers Leave Danville.

Danville, Va., July 13.—The annual exodus of tobacco men from Danville to the South Carolina markets starts this week. The season in the Palmetto State will begin July 20 and will run until September 15. Reports from that State indicate that the crop is about smaller than last year in better in quality.

\$10,000 Damages Asked.

Mary T. West filed suit yesterday in the District Supreme Court for \$10,000 damages against Margaret Sealey, proprietor of the Stratford Hotel, Fourteenth and Monroe streets northwest, for alleged personal injuries. The plaintiff claims that on June 17, while a guest at the hotel, she was seriously injured by stumbling over a bucket left in the main hallway.

Claim Census Figures Too Low.

Lynchburg, Va., July 13.—Although the Federal census gave Lynchburg an increase of 462 in population in a decade, Commissioner D. L. Taylor, in making the city capitulation assessment for 1920, found an increase of 582 capitulations over last year. The new assessment is 7,235. Last year it was 6,657.

Markman Picked for Handicap.

Winchester, Va., July 13.—The Virginia State Trappers' Association will be represented at the Grand American Handicap in Cleveland next month by W. D. Russell, of Staunton, who recently won the State championship at the Norfolk tournament.
